Dear Internship Coordinator,

I hope this message finds you well. My name is Akash Pradeep, and I am currently a First Year student pursuing a degree in Computer Science] at VIT Bhopal University. I am writing to express my strong interest in applying for a summer internship opportunity at your organization.

I have developed a solid academic foundation in Python , SQL, C++ and I am eager to apply my knowledge in a practical, real-world environment. Through my coursework and projects, I have gained experience in sql ,machine learning ,full stack web development, and I am particularly interested in contributing to and learning from your team.

I am especially drawn to your company because of its commitment to the company and I wiil be greatefull in doing and the work which has been assigned by the company. I believe that an internship with your organization would provide me with invaluable exposure and help me grow both professionally and personally.

I have attached my resume for your review. I would greatly appreciate the opportunity to discuss how my skills and enthusiasm align with your team's needs.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Akash Pradeep
